WINE AND SPIRITS LAW

Our expertise

Wine and spirits are a major part of the French and international economy.

The world of wine and spirits is impacted not only by French law but also by international rules that need to be deciphered by industry experts.

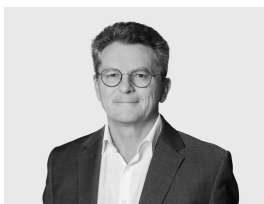

Bignon Lebray law firm has been involved in wine and spirits for 40 years through a multidisciplinary team of lawyers based in France and internationally.

With expertise in wines and spirits law, Bignon Lebray accompanies all players in the wine and spirits sector as regards all legal matters, whether as advisors or litigators.

Our fields of intervention encompass:

- Incorporation and management of companies, legal form of the companies
- Support in agricultural Company Law
- Legal representation in real estate transactions, sales, or investments in the agricultural and viticultural sector
- Management and support for obtaining administrative authorizations, including operating permits, Sempastous, and Safer approvals.
- Transfer and succession of viticultural and agricultural operations
- Estate taxation
- Taxation of farming and landholding structures
- Drafting, negotiating, and litigating rural leases.
- Competition, unfair competition, counterfeiting
- Trademark and domain name registration services for the winegrowing and winemaking industries.
- Rights of quality signs and designations with control and management organizations and INAO
- Disputes over subsidies or the withdrawal of FRANCE AGRIMER grants
- Proceedings in cases of fraud by DREETS
- Regulation of communication related to alcoholic beverages under the Evin Law
- Product marketing
- Commercial disputes
- Labor law and its specifics related to viticultural activities,
- Negotiations with SAFER
